# HOW TO USE THE MINI REINDEER CUPCAKES TEMPLATE

1. Print the template on regular printer paper and place it on a flat work surface.
2. Lay a sheet of parchment paper or wax paper directly over the template so the chocolate does not stick and the antlers can be removed easily.
3. Melt the chocolate according to package directions, then transfer it to a piping bag or a zip-top bag with a small corner snipped off.
4. Pipe the melted chocolate directly over the antler shapes on the template, following the lines as closely as possible.
5. Place the parchment paper in the refrigerator for 10-15 minutes, or until the chocolate is completely firm.
6. Once set, gently peel the chocolate antlers off the parchment paper and place them on your frosted cupcakes.
